WORK HARD. STAY SAFE.®

WWW.RADIANS.COM

LEADING THE WAY TO A SAFER TOMORROW

Radians has become a major leader in the safety industry by manufacturing high performance Personal Protective Equipment (PPE) for the industrial, construction, and safety markets. Fostering a culture of innovation, flexibility, and excellence, we create products, services and experiences that are leading the way to a safer tomorrow.

We manufacture premium product lines, such as DEWALT® and Crossfire®, and performance value brands. Our comprehensive line of safety equipment provides a variety of PPE solutions to satisfy style demands, comfort requirements, compliance concerns, and price considerations of end users.

You are important to us. We don't take our relationships and partnerships for granted. We are continuously evolving and expanding our product lines, our capabilities, and processes to be your top tier supplier of quality safety solutions for the end user while consistently meeting our partners' expectations.

OUR COMMITMENT TO YOU

Our products are manufactured in ISO-certified facilities and have passed strict ANSI testing to ensure protection and performance.

Our numerous brands and extensive line of safety gear will help you create a solutions-oriented safety program.

Our world class customer service, product managers, safety specialists and outside sales team will support and train you.

Our automated warehouse improves the speed and accuracy of your orders.

Our Made in USA manufacturing capabilities provide fast turn-around times and the choice to buy American-made PPE.

Our customization programs offer fast and economical solutions for imprinting. Plus, our online software called My-Viz lets you design custom vests and T-shirts that Radians will fabricate for you quickly.

Our programs will help you gain a competitive edge, such as no additional charges for drop shipments and same-day shipping of in-stock items if ordered by 3pm CST for retail items and 5 pm CST for industrial items.

BRANDS YOU TRUST

USA MANUFACTURING

Over the past decade, Radians has delivered on its commitment to bring US made products to the PPE market. From RadWear custom high visibility vests to Radians foam earplugs to VisionAid lens cleaning products, Radians is investing in our manufacturing footprint in the USA. And we are committed to continuing this trend.

TESTING AND STANDARDS

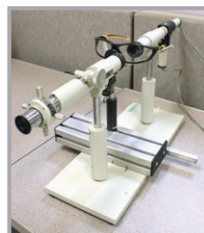

To maintain and grow our leadership status, Radians tests all of our products against the current regulatory standards for the regions where the product will be marketed. All glasses, high-visibility materials, fire retardant materials, and EU products are tested by third party independent laboratories.

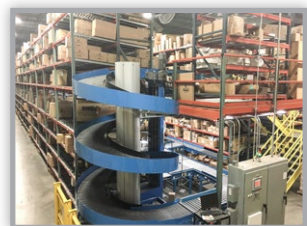

At our corporate headquarters, Radians has installed a state-of-the-art hearing protection laboratory which is accredited through the National Voluntary Laboratory Accreditation Program (NVLAP Lab 500090-0) for testing of hearing protection products to ANSI S3.19 and ANSI S12.6.

Radians also maintains in-house testing facilities to ensure continued compliance with applicable optical and high-impact standards for eyewear in addition to third party eyewear testing.

With our focus on product quality, regulatory standards, and testing, you can feel confident Radians' products meet or exceed all necessary requirements to ensure your safety.

WAREHOUSE AUTOMATION

**INCREASED EFFICIENCY
& CUSTOMER SERVICE**

To help us consistently meet and exceed our partners' expectations, Radians is always evolving. Radians recent investment in an automated warehouse solution increases levels of customer service and satisfaction.

- Real-Time shipping information
- Expedite same day orders more efficiently
- Improve speed and accuracy of orders
- Reduce error in shortages and overages

QUALITY ASSURANCE

The International Organization for Standardization (ISO) 9001:2008 specifies requirements for a quality management system where an organization needs to demonstrate its ability to consistently provide product that meets customer and applicable statutory and regulatory requirements.

Quality Management System certified compliant by Intertek

Quality Products. Trusted Brands. Excellent Service.

Bellingham® by Radians is a trusted source for high-quality gloves designed for Industrial, Lawn & Garden, Hardware, DIY, and Farm & Ranch uses. Protection, durability, comfort, style, and function are key design factors in the Bellingham glove line.

We're also pleased to offer one of the largest selections of retail tagged gloves in the nation and one of the best retail merchandising programs to help you make "More Profit Per Peg."

From rolling showcase displays to glove racks to countertop displays, you'll find everything you need to encourage cross-selling and impulse sales. And we offer cardboard bin boxes and farmer's market baskets too. And, if you don't find a planogram that suits your needs, don't worry, we'll work with you to create a custom designed plan that is perfect for your store.

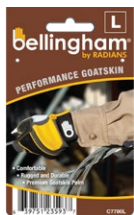

Our Lawn and Garden line is massive and includes styles for men, women, and bestselling gloves for kids too. Afterall, gardening is a family affair.

CROSSFIRE®
by RADIANS

TAKES AN IMPACT. MAKES AN IMPACT.™

CROSSFIRE® Premium Safety Eyewear by Radians takes an impact with ANSI Z87.1+ certified frames and lenses.

CROSSFIRE safety eyewear makes an impact on or off the jobsite with bold styles that protect your eyes from debris and UV rays, without sacrificing the appeal of sunglasses.

CROSSFIRE Polarized Lens Technology knocks out glare by filtering the reflected bent light resulting in enhanced, undistracted vision in potentially dangerous environments

CROSSFIRE High Definition Lens Technology provides enhanced vision and exceptional optical clarity by filtering out the most damaging blue rays.

HOW TO BOOST YOUR ADVERTISING SPECIALTY BUSINESS WITH **CUSTOM LOGO SAFETY GEAR** FROM RADIANS

Don't limit your advertising specialty business to suggesting traditional promotional items, such as cups, calendars, keychains, and pens to your clients. Instead, push the boundaries. Think outside of the box. And consider the branding opportunities associated with custom logo safety gear that encourages safety.

Think about it. Branded safety gear serves a dual purpose:

- 1 It promotes your brand.
- 2 It protects people.

Not only that—it may even save a life. These attributes enhance the perceived value of the item in the eyes of your client and the end user, which makes safety gear a good choice for an advertising specialty promotion.

**RADIANS BRANDING
CAPABILITIES INCLUDE**

**EMBROIDERY ■ SCREEN PRINTING
PAD PRINTING ■ HEAT TRANSFER**

To help you turn safety gear into a walking billboard for your client, logo branding is available for high visibility T-shirts, polo's, vests, and jackets, hard hats, safety eyewear, cooling towels, neck cords, and neck shades.

Logos can be up to:

- 2 colors on glasses
- 3 colors on cooling towels
- 4 colors on T-shirts, polo's, vests, jackets, and hard hats

6 KEY BENEFITS OF PARTNERING WITH RADIANS

- 1 We decorate in-house to ensure a quality product without unwanted surprises.
- 2 Our in-house graphic designers expertly re-create your artwork for a professional result.
- 3 Low minimums and low prices mean increased profit margins for you.
- 4 Your order is ready to ship in 5 to 7 business days allowing you to fulfill last minute, rush orders.
- 5 We drop ship to your customer, which frees up your time to take care of other critical activities.
- 6 We're easy to work with and we want to please you and make you happy.

INCREASE MARKET SHARE WITH PROMOTIONAL PRODUCTS THAT ENCOURAGE SAFETY

When choosing promotional safety products to help you expand and increase your market share, it is important to choose products that meet industry standards.

All of the safety products in our custom logo program are:

- Tested to meet important ANSI standards and government regulations
- Manufactured in ISO certified facilities
- Popular, bestselling items made with durable materials
