## Reduce. Reuse. Recycle. Wear.

Each year, an estimated sixty million water bottles are thrown away each day in America. It can take up to seven hundred years for just one plastic bottle to break down and biodegrade. Throwing away plastic bottles hurts the environment.

To solve these problems, people have worked together to develop a process to recycle plastic bottles and turn them into useful items, including furniture, fences, bags, containers, rugs, clothing, and of all things, gloves!

Bellingham® by Radians is proud to introduce ECO-Master gloves made with recycled yarn and synthetic fiber materials. All materials used meet the Global Recycled Standard. The standard applies to the full supply chain helping to eliminate reclaimed materials from entering the waste stream.

ECO-Master C3705 and KT470 are knit using recycled polyester yarn resulting in a soft but strong seamless shell that is comfortable on the hand and wicks perspiration to help keep the hand dry.

The C3705AC nitrile palm coating is breathable for added comfort, has high abrasion resistance for improved wear, and micro finish textured for excellent wet or dry grip. The KT470 incorporates a natural rubber palm coating resulting in excellent grip, durability, and protection for smaller hands.

The C7735 Ladies Performance gloves are made with recycled materials throughout. The gloves feature a reinforced foam spandex shell, shirred elastic knit wrist for snug comfortable fit, reinforced fingertips, touchscreen index finger and thumb, and durable reinforced synthetic leather palm for durability and protection.

Gardener.**

**Breathable.  
Hypoallergenic.  
Antibacterial.  
Sustainable.**

Bellingham® Bamboo Gardener™ gloves are synonymous with Bellingham's long-standing reputation for quality, innovation, and industry firsts.

Bellingham first incorporated the use of renewable and sustainable bamboo fiber to manufacture and supply seamless bamboo rayon palm dipped garden gloves in 2011.

Since that time, Bamboo Gardener™ gloves have been used and appreciated by gardeners, landscape professionals, growers, DIY home, and Farm & Ranch owners worldwide.

Bamboo rayon is the first man-made natural-based fiber dating back to the late 1800's. It is a regenerated textile considered to be one of the most versatile and economical manufactured fibers available. Not only is it hypoallergenic, but it also offers softness, durability, and moisture-wicking properties.

The original Bamboo Gardener™ C5301 Rubber Palm glove provides excellent grip wet or dry along with excellent puncture resistance.

The original Bamboo Gardener™ C5371 Nitrile Palm provides excellent dexterity, improved breathability, and comfort, and added abrasion resistance.

The new C5370AC Bamboo Gardener™ assorted color nitrile palm gloves join the original styles featuring pastel fashion colors with sizing exclusively to fit women's hands.

Everyone enjoys fresh new colors in the garden. Add Bamboo Gardener™ assorted color garden gloves to your store's selection today!

**TAKES AN IMPACT. MAKES AN IMPACT.™**

CROSSFIRE® Premium Safety Eyewear by Radians takes an impact with ANSI Z87.1+ certified frames and lenses.

CROSSFIRE safety eyewear makes an impact on or off the jobsite with bold styles that protect your eyes from debris and UV rays, without sacrificing the appeal of sunglasses.

CROSSFIRE Polarized Lens Technology knocks out glare by filtering the reflected bent light resulting in enhanced, undistracted vision in potentially dangerous environments

CROSSFIRE High Definition Lens Technology provides enhanced vision and exceptional optical clarity by filtering out the most damaging blue rays.

Don't limit your advertising specialty business to suggesting traditional promotional items, such as cups, calendars, keychains, and pens to your clients. Instead, push the boundaries. Think outside of the box. And consider the branding opportunities associated with custom logo safety gear that encourages safety.

Think about it. Branded safety gear serves a dual purpose:

- 1 It promotes your brand.
- 2 It protects people.

Not only that—it may even save a life. These attributes enhance the perceived value of the item in the eyes of your client and the end user, which makes safety gear a good choice for an advertising specialty promotion.

To help you turn safety gear into a walking billboard for your client, logo branding is available for high visibility T-shirts, polo's, vests, and jackets, hard hats, safety eyewear, cooling towels, neck cords, and neck shades. Logos can be up to:

- 2 colors on glasses
- 3 colors on cooling towels
- 4 colors on T-shirts, polo's, vests, jackets, and hard hats

## Quality Products. Trusted Brands. Excellent Service.

Bellingham® by Radians is a trusted source for high-quality gloves designed for Industrial, Lawn & Garden, Hardware, DIY, and Farm & Ranch uses. Protection, durability, comfort, style, and function are key design factors in the Bellingham glove line.

We're also pleased to offer one of the largest selections of retail tagged gloves in the nation and one of the best retail merchandising programs to help you make **"More Profit Per Peg."**

From rolling showcase displays to glove racks to countertop displays, you'll find everything you need to encourage cross-selling and impulse sales. And we offer cardboard bin boxes and farmer's market baskets too. And, if you don't find a planogram that suits your needs, don't worry, we'll work with you to create a custom designed plan that is perfect for your store.

Our Lawn and Garden line is massive and includes styles for men, women, and bestselling gloves for kids too. After all, gardening is a family affair.
